(c) From time to time, opportunities of a short term nature may arise using a particular new application of the Property wherein LICENSOR will ask LICENSEE to produce on an expedited basis Licensed Products either for LICENSOR to use for premium or promotional purposes or to be sold by LICENSEE at retail, or both, and if LICENSEE is unable or unwilling to so produce such Licensed Products within time frames acceptable to LICENSOR as well as meeting LICENSOR'S other reasonable requisites under the circumstances, such as sufficient distribution capability and appropriate price and quality, LICENSOR shall have the right to seek and license other parties for this limited opportunity only.

(d) If LICENSOR becomes aware of the inability or unwillingness of LICENSEE to fill an order for Licensed Products by itself or any customer, LICENSOR shall have the right to seek and license another party or parties to fill said order(s).
